

AS IF MY POOR
DRAWING SKILLS WERENT
BAD ENOUGH ... NOW I'VE
STARTED HACKING
IT OUT TO BOOT.

AND EVEN THOUGH I'M AWARE
THAT I'M HACKING IT OUT,
I KEEP RIGHT ON DOING IT.
THIS PARADOX TERRIFIES ME.

IT MEANS I HAVE NO STANDARDS
FOR MY WORK, AND A FAILURE
TO SET STANDARDS FOR ONE'S
WORK INDICATES A FAILURE TO
SET STANDARDS FOR ONESELF.
